Notes and instructions …..

In the boxes:

- Name: … enter name like John Henry PATTINSON, surname always capitalised
- No.: … always use this number to refer to the named person
- Birth: & Where: … birth entered like 04.05.1952 and where like Fakenham, Norfolk
- Marriage: & Where: … same as for above (only for male spouse)
- Death: & Place: … same as for above

Additional notes and information:

- Write extras on the reverse of the form, noting the Name and No. of the person it relates to and state where the information comes from (if known) or if it is family knowledge.

Uncertainties:

- If any information is 'uncertain', place a query (?) after the information, e.g.: if a forename is known but surname is uncertain enter it like John Henry PATTINSON?

Help for the researchers:

- Anything which would help to identify the person is always useful. Give details in notes as above.
